

The Effective Engineer: How to Leverage Your Efforts in Software Engineering to Make a Disproportionate and Meaningful Impact

By Edmond Lau

Effective Bookshelf, United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The most effective engineers - the ones who have risen to become distinguished engineers and leaders at their companies - can produce 10 times the impact of other engineers, but they re not working 10 times the hours. They ve internalized a mindset that took me years of trial and error to figure out. I m going to share that mindset with you - along with hundreds of actionable techniques and proven habits - so you can shortcut those years. Introducing The Effective Engineer - the only book designed specifically for today s software engineers, based on extensive interviews with engineering leaders at top tech companies, and packed with hundreds of techniques to accelerate your career. For two years, I embarked on a quest seeking an answer to one question: How do the most effective engineers make their efforts, their teams, and their careers more successful? I interviewed and collected stories from engineering VPs, directors, managers, and other leaders at today s top software companies: established, household names like Google, Facebook, Twitter, and LinkedIn; rapidly growing mid-sized...
