In computing this valuation, gifts were excluded, and a depreciation rate of three per cent per annum was applied on the cost of books purchased. The total number of catalogued books and pamphlets in the Library on June 30, 1913, was 238,301. Valuation of Museums A complete inventory was taken of the museums of the University, in so far as the items in the museums have been cataloged. No attempt was made to value the museums, since, in the first place, a great part of the material in the University museums has been acquired by gift, or incidental to investigations, and in...
