A ruthless serial killer is butchering financial industry high rollers. FBI Special Agent Silver Cassidy, the head of a task force that's on a collision course with disaster, finds herself fighting impossible odds to stop the murderer before he can kill again. Struggling to balance the hunt for a savage predator with the challenges of being a single parent, Silver finds herself thrust into a nightmare of brutality that will demand every ounce of determination she possesses to survive. -----Q and A with Russell BlakeQ: Silver Justice is a departure from your usual action-adventure thrillers. Why a police procedural serial killer epic featuring a female protagonist Russell: I got the idea for a strong female protagonist who was a take-no-prisoners Fed when I was thinking about a sequel to Fatal Exchange. And I wanted her to be very smart, and capable, but also address the issues of a female swimming upstream in a male-dominated career. I like the way Silver turned out. She became very real for me as I wrote the book, and I can envision her carrying a whole series. She's definitely got the depth to do it...
