A civil war rages between the Glorious Path a militant religion based on the teachings of a former US soldier and what s left of the US government. Fifteen-year-old Callum Roe and his younger brother, James, were captured and forced to convert six years ago. Cal has been working in the Path s dog kennels, and is very close to becoming one of the Path s deadliest secret agents. Then Cal befriends a stray dog named Bear and kills a commander who wants to train him to be a vicious attack dog. This sends Cal and Bear on the run, and sets in motion a series of incredible events that will test Cal s loyalties and end in a fierce battle that the fate of the entire country rests on. USA Today bestselling author Jeff Hirsch once again creates a futuristic world with stunning, dramatic realism.
