Brand New Book ***** Print on Demand *****.Excerpt from School Management This course of Lectures has been published as a textbook, or rather a drill-book in the arts of Teaching and School Management. It claims to present a novel and yet a common sense system hr making the school attractive, study exciting, and severe application the choice of every pupil. This claim is based on innumerable successful demonstrative experiments in all grades of schools, where the system has been applied, by trained teachers. Principles Avowed. 1st. Study and discipline, by correct management, can he made a pleasure instead of a burden. 2d. Study should never be imposed as a punishment, nor should pupils ever be punished for not studying. 3d. Instruction should be given from real objects and by actual practice; and no teacher or pupil should be satisfied with words, or ideas even, as obtained from books only. 4th. The pupil should, under the guidance of a teacher, work out his own instruction and discipline, and by daily practice in speaking and writing, learn to express his ideas with grace and cogency. 5th. The school government, which every teacher should aim at and work for, is that of no laws, save the unwritten law of right, based on mutual respect of teacher and pupils. 6th. The separation of the sexes at any period of education is barbarous and unnatural - the practice belongs only to Catholic and Mahometan communities. 7th. The whole course of instruction and discipline should he conducted with reference to the duties of life, and not with the design of passing any particular examination to obtain a degree or any other honor. Results Obtained. 1st. Physical health and moral parity...
