

Bartleby, the Scrivener

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Createspace, United States, 2011. Paperback. Book Condition: New. 274 x 212 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a short story by the American writer Herman Melville (1819-1891).At the start of the story, the narrator already employs two scriveners, nicknamed Nippers and Turkey, to copy legal documents by hand. Nippers (the younger of the two) suffers from chronic indigestion, and Turkey is an alcoholic, but the office survives because in the mornings Turkey is sober and Nippers is irritable, while in the afternoons Nippers has calmed down and Turkey is drunk. Ginger Nut, the office boy, gets his name from the little cakes he brings the two scriveners. An increase in business leads the narrator to advertise for a third scrivener, and he hires the forlorn-looking Bartleby in hopes that his calmness will soothe the temperaments of Nippers and Turkey. At first, Bartleby appears to be a boon to the practice, as he produces a large volume of high-quality work. One day, though, when asked by the narrator to help proofread a copied document, Bartleby answers with what soon becomes his stock response: I would prefer not to. To the dismay of the narrator and to the irritation of the other employees, Bartleby performs fewer and fewer tasks around the office. The narrator makes several attempts to reason with him and to learn something about him, but Bartleby offers nothing but his signature I would prefer not to. One weekend the narrator stops by the office unexpectedly and discovers that Bartleby has started living there. The loneliness of Bartleby s life impresses him: at night and on Sundays, Wall Street is as desolate as a ghost town, and the window in Bartleby s corner allows him no view except that of a blank wall...
