Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Danelius is an incubus. His job is to engage in sex with mortal women as they sleep, drawing them into his snare and condemning their souls. He's damn good at what he does, and it doesn't matter that he's quite proud of the fact that his record is practically spotless. After all, isn't pride one of the better deadly sins? But when his last job goes awry, and he subsequently pisses off the Devil, Danelius finds himself in serious straits. For one, he's kicked out of Hell and ordered to find a pure soul to replace the sinner he lost. For another, he has no place to go and no place to stay. Stripped of his powers, naked, and freezing his delectable buns off, Danelius suddenly discovers that being mortal hurts. It's even worse when he's rescued by Gemma, and soon thereafter realizes he's falling in love with her. It's when he discovers the true purpose of his exile that Danelius realizes he no longer wants anything to do with Hell or the Old Man. He wants to remain a mortal with Gemma for whatever time they have left of their lives. Wonder how well Satan will take the news when he finds out?.
