MONSTER MOON

Little Tiger Press Group. Paperback. Book Condition: new. BRAND NEW, Monster Moon, Lucy Courtenay, What's black and white, and flies faster than the speed of light? The Space Penguins! They're the ice-cool crew of the spaceship Tunafish. With their pioneering flying skills and resistance to the deep freeze, these intergalactic avians are going where no fin has gone before. Captain T Krill, Rocky Waddle, Fuzz Allgrin and Splash Gordon are on a mission to explore new planets, rescue alien life, and battle their former comrade-in-wings: Dark Wader. In book six of the Space Penguins series, Splash has a secret - he's hiding an egg he discovered on a strange moon. But when the egg hatches into a Flogisaur with a taste for metal the feathers fly. Can the penguins return the creature to its home planet before it eats its way through the Tunafish? A hilarious series, featuring everyone's favourite flightless birds! Packed with out of this world aliens, flipper to the floor penguin action, and daft jokes and puns, these books are perfect for boys and girls aged six to eight.
