This item is printed on demand - Print on Demand Neuware - Essay from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Flensburg (Englisches Institut), course: Projektarbeit Anglistik, language: English, abstract: The Road is set in an apocalyptic scenario in which most of humankind and the environment seems to have been destroyed by an unspecified catastrophe. Still the few survivors, including the two main characters, have to eat something in order to stay alive. They nourish themselves from whatever edible they find on their way as they travel along a road in the hope of finding a warmer and more liveable place in the ruined country. But as the story develops they learn that not all survivors of the disaster are willing to live from the mostly insipid leftovers of the destroyed civilization but have instead developed an unholy desire for fresh human meat. In this project work I would like to deal with the role of food in McCarthy's novel and furthermore examine the parts that display cannibalism. Therefore I divide my project into two main parts...
