### ***Reviews***

*This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Junius Herman)*

## THE SON

Knopf. 1 Cloth(s), 2014. hard. Book Condition: New. Stepping outside of his internationally celebrated mystery series starring Norwegian detective Harry Hole, Jo Nesbø here gives us an electrifying stand-alone novel about a particularly venal maze of high-level corruption in Oslo. Sonny Lofthus has been in prison for a dozen yearsnearly half his life. Complacent and strangely charismatic, he provides an uncanny effect of absolution for his fellow inmates. They don't knowor do they carethat Sonny has a serious heroin habit, or who supplies it. Or that he's serving time for other peoples' crimes. His addiction began after his father killed himself rather than face exposure as a corrupt cop, and Sonny now resides at the center of a web of conspiracy; police, prison staff, lawyers, and a desperate priest are all determined to keep him high and in jail. But Sonny has learned a stunning secret concerning his father. He engineers a brilliant escapefrom his cell and from his own personal prisonand begins hunting down those responsible for the crimes against him."A deftly plotted novel that probes the deepest mysteries: sin, redemption, love, evil, the human condition. One of Nesbø's best, deepest and richest novels."Kirkus Reviews (starred review)"The standard bearer for the phenomenon that is Scandinavian crime fiction. Fast-paced and imaginatively violent, this latest example of Nesbø's Nordic noir hurtles like an express train towards a last act of almost operatic extravagance that leaves dead bodies and carefully nurtured reputations littering the stage. Great stuff altogether."Independent (Ireland) 402.
