

Reflections on Progress: Essays on the Global Political Economy (Hardback)

By Kemal Dervis

BROOKINGS INSTITUTION, United States, 2016. Hardback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book. Now, more than ever, the world needs growth oriented and socially inclusive policymaking Is the world giving up on the promise of ever greater prosperity for all, on functioning democratic institutions, and on long term peace? Is the special set of circumstances that led to the recent rapid growth in emerging markets unlikely to be present in the future? Will the second decade of the twenty first century end with secular stagnation ? Does the rise of authoritarianism, populism, and fanatic nihilism-all experienced over the last few years-threaten to unravel what has been built painstakingly since the catastrophe of World War II? Kemal Dervis addresses these and similar questions in this thought provoking series of essays written for Project Syndicate from 2011 to 2015. The essays are organized in three sections on global economic interdependence, inequality and the political economy of reform, and the specific challenge of Europe. The common theme is the need for growth oriented and socially inclusive policy making in an interdependent world. If adopted, these kinds of policies offer the potential for another wave of unprecedented human progress aided by...
