WATERGATE: THE POLITICAL ASSASSINATION

UFT Press, United Kingdom, 2012. Paperback. Book Condition: New. 330 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Watergate - The Political Assassination is a political thriller that Nixon was the victim of an extreme right-wing plot executed by the liberal press. Nixon s visit to China 40 years ago was a great achievement and received universal acclaim. The latest revelations about Watergate are not the only problems with the accepted account of Nixon and Watergate. When the idea that there was wrongdoing in the Nixon White House became the accepted truth; only the foolhardy dared to question its premise. Sarah Cornfield, was a female rookie investigative journalist. She planned to discover the source of the Watergate leaks, and had a crisis when she uncovered the plot. So why did Nixon resign? Answers have to be found to questions such as: ? Why were the culprits arrested at the THIRD break-in? ? Why did the dollar bills have consecutive serial numbers? ? Why were H Hunt s details in the address books of TWO of the four Cubans? ? There was a coup attempt in China to prevent the rapprochement. Could the same have happened in the US? ? What vital information was passed by the grand jury member? ? What has Richard Dawkin s memes got to do with Watergate? ? Would Nixon order the Watergate raid when he was 26 points ahead of McGovern? Nixon was not exactly stupid. Was Watergate a Set-up or a Cock-up? This book offers an alternate interpretation of the events. Extensive background notes for readers not familiar with Watergate - the story of the century.
