

Arriving Where I Started

By Maggie Smith

Feedaread.com, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.She may not be the Downton Dame, but Maggie Smith is also in her mid-eighties - and a writer whose first three decades encompassed World War II and massive post-war social changes. This is not a misery memoir but a tale of the survival of a bright girl from a family where only a boy would have been worthy of higher education. Written with energy and humour, it was intended originally only for her own family, but readers of all ages have enjoyed the more unusual anecdotes you won't read in social history book. How many children do you know who were evacuated while sitting on crates of TNT in the back of an ammunition lorry? Did you know that in 1956 women in the Civil Service could on marriage forgo their pension and take instead a dowry of a month's salary for every year they had worked? Or that Swedish furniture was trendy in the fifties, well before IKEA? A fascinating read!.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
