Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

A BUCKET OF ASHES

Hawkey Books, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. As always, the author excels at setting the scene, evoking the time and place by use of the day-to-day details as well as historical events. The resolution of the central mystery is almost secondary to the revelations about Nell s past and the way the author ties up all the loose ends of her present situation. Longtime readers will enjoy this aspect immensely; I know I did. This has been a gorgeously written series, populated with unique and unforgettable characters. -CA Reviews Summers at the Hewitts family s palatial Cape Cod cottage are always bittersweet for governess Nell Sweeney, for it was on the Cape that she lost all but one of her siblings to disease. Then she married Duncan, a ne er-do-well charmer who abused her and coaxed her into petty crime before being condemned to spend the rest of his life in prison. Her dark past has been a deeply buried secret for years-but soon she ll learn that it wasn t buried quite deeply enough. Nell has proven herself an exemplary governess, and she is deeply devoted to little Gracie. But now the possibility that she might be carrying Will Hewitt s child threatens to destroy everything she s worked so hard for. Even if she were free to marry, she doubts that Will, a rootless cardsharp and recovering addict, could ever truly settle down. Not that marriage is even an option, since Duncan adamantly refuses to grant her a divorce. When the pregnancy is discovered, she ll be ruined. Nell is dealt another blow when she finds out that her beloved brother Jamie has been discovered dead in a burned-out farm shed-and...
