Picky Kids Press, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.11-year-old Monet might have been named after a famous artist, but she doesn't have any skills as far as she can tell unless you count almost always failing math. Her mama tells her she's a people-centered person, and that's the best kind of person there is, but that doesn't help Monet get good grades in school. Forget about school and have fun! Mama insists on the first day of summer vacation. Monet tries, but while her best friend Diamond can see the fun in a sunburn, all Monet can see is the suffering people in her inner city neighborhood. Summer isn't looking good for Monet or Diamond until Monet hatches a plan to create a Fun Camp that turns her neighborhood upside down in a right side up kind of way. Love and fun are the motivations behind Monet's Fun Camp, but what happens because of Monet's caring heart is like a miracle even she couldn't have dreamt up!.
