Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Greyhound handicapping is an art, not a science. Dog racing is a puzzle and the more pieces you have, the easier it is to put it all together and see the big picture. Eb doesn't claim to be an expert, just someone who has put in a lot of time and effort to learn the art of handicapping greyhound races. Eb has been researching United States greyhound tracks for over four decades and shares the knowledge he's gained with race fans who want to win more and lose less at the greyhound track. Book 1 starts with an article about what works and what doesn't at the greyhound track and ends the article section with a look at insider tips and how they can help you win. In between those articles, you'll find Eb's opinions about form, speed, whether you should bet on dogs that are moving up or moving down, whether kennel statistics matter and how age affects the racing greyhound. Following the articles, there are three mini systems that are a fun way to play the dogs when you don't want to, or can't, handicap thoroughly. In Book 2, Eb starts off by writing about something that you might not connect with dog racing - race shapes. Horse players are more likely to know what they are and use them to win more at the track. But greyhound players can use them too, although few do. It's one more little piece of the handicapping puzzle that gives you an edge over the crowd. From which dogs are phonies and why, to how to use the break to pick...
