Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)*

MUSIC IN WASHINGTON: SEATTLE AND BEYOND

Arcadia Publishing (SC), United States, 2008. Other merchandise. Book Condition: New. 163 x 124 mm. Language: English . Brand New Book. For more than 100 years, the Pacific Northwest has been making music history. In this new retrospective, rare photographs evoke the musical memories of days gone by, from the earliest 19th-century brass bands to Roaring Twenties jazz combos, 1940s hillbilly twangers, 1950s rhythm-and-blues singers, and generations of rock n rollers, including the original 1950s rockabillys, 1960s Louie Louieera garage bands and psychedelic acid-rock acts, 1970s punks, and 1980s new-wave artistes and heavy metal headbangers. Readers will discover how a scrappy backwoods region struggled to build the necessary infrastructure to eventually create a viable music industry and an underground scene that would ultimately earn global recognition as the home base of the 1990s grunge movement.
