Buffalo, the starting-point from which you reach Niagara, is another of those American cities which were forests, and are streets. When we say there is one here two miles long, it is only necessary to add that it does not contain houses enough to front one-fourth part of such distance, and that the interstices are dotted with a church or two, a stray livery stable, a huge hole where an hotel is to be built, and a pile of ruins where one has just been pulled down. Buffalo is, notwithstanding, a very important place, because, heading as it were, Lake Erie, it may be looked upon as the high road between the west and the east--a turnpike at which an immense quantity...
