Voluntary Protection Programs (VPP) The Voluntary Protection Programs (VPP), OSHA Consultations sister program, are designed to recognize and promote effective exemplary safety and health program management. In the VPP, management, labor and OSHA establish cooperative relationships at workplaces that have implemented strong programs. Sites approved for VPPs Star, Merit, and Demonstration programs have met, and must continue to meet, rigorous participation standards. Benefits of VPP participation include improved employee motivation to work safely, leading to better quality and productivity; lost-workday case rates that generally are half of the national industry averages; reduced workers compensation and other injury-and illness-related costs;...
