INSIDE - ONE MANS EXPERIENCE OF PRISON

DOWNLOAD

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 194 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. This is a true story of a journey to hell and back. In 1994 John Hoskison was a highly respected and successful professional golfer. One evening he shattered his world when he broke a discipline he had maintained for twenty years and accepted a drink before driving home. This single moment of weakness had tragic consequences. On the short journey he hit and killed a cyclist and was subsequently sentenced to three years in prison. Devastated by his actions Hoskison was thrown into an unimaginable world of regret and remorse. He knew he would never escape the pain he had caused and thought a prison sentence totally justified. Only one thing saves Hoskison - the incredible attitude adopted by the widow. The story describes the forgiveness he receives which acts as a catalyst for his survival. As a first time offender Hoskison was led to believe he would spend time in an open prison, the sort he had read about in the papers. Instead he spends his time in some of the toughest prisons in Britain. The story grips from the start when Hoskison swaps the safety of green fairways for the medieval squalor of HMP Wandsworth, where drug taking and violence are rife and prison officers can throw victims to the hard men. This book is much more than a story of crime and punishment. It is a true tale about how quickly our lives can be shattered by taking a risk - just once. After many years trying to make amends for what happened John Hoskison spends much of his time talking to school children about the importance of making the right choices in life and...
