## Hosea

By James L. Mayes

SCM PRESS, United Kingdom, 2012. Paperback. Book Condition: New. New edition. 232 x 154 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Throughout the commentary the fundamental teaching of Hosea is given prominence in such a way that it is never obscured by uncertainties in particular expressions of it. This is a satisfying and well-balanced book which refrains from claiming certitude of exegesis where the evidence does not provide sufficiently definite material for it (Society for Old Testament Studies Book List). The work is divided into a short introduction dealing with the man, the time, the sayings, the message and the book, followed by a selective bibliography and a commentary in 37 sections with headings which will help in the study of the book. It can be highly recommended (Jewish Quarterly). Though the author is well acquainted with Hebrew grammar and philology these are nowhere obtruded on the reader. Similarly questions of textual reading do not claim the focus of attention. They must necessarily receive attention, since the text, especially of Hosea is quite certainly corrupt in many places and it is essential to establish and justify the text which is the basis of the comment before...
