Biteback Publishing, United Kingdom, 2012. Paperback. Book Condition: New. 216 x 134 mm. Language: English . Brand New Book. As he enters his sixties, Bruce Springsteen remains a paragon of all that is cool and right. He s a genuine voice of the people, an elder statesman who has inspired generations of bands. There are dozens of books about the Boss, so what s left to say? Nothing objective, perhaps. But when it comes to music, objectivity is highly overrated. WALK LIKE A MAN is liner notes for a mixtape, a frank and funny blend of biography, music appreciation and memoir. Novelist Robert Wiersema grew up with Springsteen s songs, from his own working-class youth, through dreams of escape, falling in love and becoming a father. His book tells the story of a man becoming a man (despite getting a little lost along the way), and of the man and the music that have accompanied him on his journey.
