Reviews

*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

If we give our power to a flower, to how many others do we give it away? Ever shrink from hurtful words and think you are a nothing? Blame an evil twin for your actions? Hear a voice trying to get your attention? Or do you just want a ticket to somewhere else? If so, step aboard and travel to lush locales and ordinary places as a daughter who felt fatherless engages her inner wisdom, pieces together the puzzle of who she is and learns that life s most important journey is into her heart. Unravel the mystery of Susan-from a bungalow in World War II Hawaii to a prayer group in southern California-as Christine and her all-knowing tour guide relive life experiences, witness miraculous connections, reframe the past and agree to walk into the future side by side. Learn as Christine listens to a still small voice, lets in the light, transforms dark experiences by viewing them from a higher perspective, takes out fresh paint brushes and recreates her life canvas using new patterns and colors. Celebrate with Christine as she embraces new definitions of self and family.
